

CHILDREN & FAMILIES

Ensuring that every child has the opportunity for a bright, healthy future

Legislative Accomplishments

Congressman Moore has always made protecting children and supporting families one of his top priorities in Congress.

- Worked with national and local leaders to bring the **AMBER alert** system to Kansas and make it a nationwide standard.
- Wrote the law requiring **child-resistant caps** on all portable gasoline containers.
- Wrote legislation to establish a grant program to provide **social workers** with proper training, equipment and protection.

Current Agenda

Congressman Moore is focused on the following issues during the 111th Congress:

- Fighting for proper funding of the **Victims of Child Abuse Act**.
- Work to keep **sex offenders** from sliding through loopholes in the system and going unmonitored.
- Reintroduced legislation requiring the mandatory revocation of passports for individuals not paying **child support**.
- Supporting legislation to **prevent identity theft**, protecting your family's credit and financial stability.

President Obama

Congressman Moore is working with President Obama and his staff on the following issues for our children:

- Reintroduction of the **Responsible Fatherhood and Healthy Families Act**.
- Promoting efforts to **protect children from violence and neglect**.
- **Addressing the needs of children** in low income families, including access to quality health care, education programs, like Head Start, and other community resources.
